**Willis**  
Aviation Services  
Limited

Willis Aviation Services Limited offers expansive aircraft base maintenance, parking and storage, return to service and end of life airframe disassembly at Teesside International Airport in the UK. We provide a full nose-to-tail service tailored to meet the demands of our operator, lessor and third-party owner-customers covering the life cycle of your assets.

Teesside International Airport, Hangar 2 | Darlington, DL2 1NJ, UK  
☎ +44 (0) 1656 508 270 | ✉ [info@willisaviation.com](mailto:info@willisaviation.com)

Willis Aviation Services Limited is a subsidiary  
of Willis Lease Finance Corporation

# OVERVIEW

Our facility provides a secure and convenient location for maintenance, storage, and disassembly services. The facility features a 45,000 square foot hangar that can accommodate up to two narrowbody aircraft (up B757 wingspan), ample outdoor storage and a runway capable of accepting A380s.

Willis Aviation Services Limited holds UK CAA, 2-Reg, Cayman and EASA Part-145 A & C1 Ratings for the following aircraft types.

AIRBUS AIRCRAFT	BOEING AIRCRAFT
Airbus A319/A320/A321 (IAE V2500) Airbus A318/A319/A320/A321 (CFM56)	Boeing 737-600/700/800/900 (CFM56)

Willis Aviation Services Limited's capability status for performing 'scheduled' aircraft maintenance checks:

Maintenance Type	Maintenance Level	UK CAA, EASA, 2-Reg & Cayman Approval Status
Base Maintenance	C-Checks on all aircraft types listed above	Approved
Line Maintenance	Part 145 parking and storage Return to service  Post-flight, maintenance pre-flight, service check, and overnight checks	Approved

## Base Maintenance Services

UK CAA Approval Reference UK.145.01884 | EASA Approval Reference EASA.145.0990

Aircraft

- ✓ 2 Bay Hangar Refurbished Q1 2022
- ✓ Heavy C-Checks
- ✓ Redelivery Centre for Lease Transitions
- ✓ Entry into Services and Lease Return Checks
- ✓ Hospital and AOG Visits
- ✓ CAMO Services Available Through the Willis Platform®
- ✓ Customs Warehouse and IPR Regimes
- ✓ Material Sourcing, Logistics & Shipping
- ✓ Component Repair Management

## Part 145 Line Maintenance Services

UK CAA, EASA, 2-Reg and Cayman approved maintenance facility

Aircraft

- ✓ Line Maintenance Support at Teesside International Airport
- ✓ Flight Ready Parking, Long-term Storage Programs and Return to Service

- ✓ Tufcoat™ Shrink Wrapping
- ✓ Boreblending
- ✓ HPC Top Case Repairs
- ✓ Service Bulletin Embodiment
- ✓ Logistics & Shipping

## Aircraft Disassembly and Disposal

Aircraft end of life solutions

- ✓ Full Environmental Compliance for Waste and Fluid Disposal
- ✓ Capability to Disassemble all Widebody, Narrowbody and Regional Aircraft
- ✓ Flexible Disassembly from Fully Managed to “Bag and Tag”
- ✓ Remote Disassembly with Mobile Team Providing Worldwide Coverage
- ✓ Specialized Airframe Cutting for Training and Simulation Projects
- ✓ Full Shipping Services including Hazmat
- ✓ On-site Component Storage Available with Customs Warehouse and IPR Available
- ✓ Bespoke Carpentry Shop Providing ISPM Standard Crating
- ✓ AFRA Member Following Their Best Management Practices (BMP)
- ✓ Specialized Inventory Control Software

**Willis**  
Aeronautical  
Services, Inc.

Willis Aeronautical Services is a leading supplier of surplus engine material to the global aviation and aerospace industries. With over 75 years of deep sector experience, the Willis Aero team delivers surplus parts for nearly every modern engine type to airlines and repair centers around the globe.

4700 Lyons Technology Parkway | Coconut Creek, Florida 33073 USA  
o +1 561.272.5402 | e [sales@willisaero.com](mailto:sales@willisaero.com)

Willis Aeronautical Services, Inc. is a subsidiary  
of Willis Lease Finance Corporation

Our aeronautical services are the fastest way to locate aircraft parts and spares for commercial aircraft. Providing you with the right part, in the right place, at the right time is crucial to keeping your fleets in revenue service while maximizing uptime. We have accumulated inventory in nearly all major engine types and have amassed one of the industry's largest stocks of material.

We offer parts locator services and maintain a constantly changing inventory. At Willis, we have compiled a large engine parts inventory database from leading manufacturers and suppliers worldwide, enabling you to quickly source the parts they need.

## Material Solutions and Services for Engines and Components

Our portfolio of transport category aircraft engines includes CF34-10E, CFM56-5B/7B, GE90-115, LEAP-1A/B, V2500-A5, and PW4168. The majority of these assets are in various stages of disassembly and part sales processing.

### Our Capabilities Include:

- **Sales and Distribution of Used Serviceable Material**  
Over 57,000 stock line items including New, Overhauled, Serviceable and As Removed material.
- **Consignment Services**  
Strategic material disposal, engines or inventories may be consigned to WASI for surplus marketing or placement at engine repair facilities for maximum consumption.
- **In-house Logistics Management**  
Efficient transportation support, seamless logistics management to streamline global asset movements.
- **Warehousing and Storage**  
Fully operational and secure 50,000 sq. ft. warehouse located in Pompano Beach, Florida.

- **Procurement & Repairs**  
Established network of over 150 purchasing and repair vendors both OEM and NON-OEM. QA audited and in compliance with standards and regulations.
- **Supporting over 150 customers worldwide.**

### Quality Management

ASA Accreditation

ISO 9001 Certification
